

Directions from Chestnut Hill/Mount Airy/Fort Washington

Take Route 309 North. After passing lights at Stump Road and Knapp Road, bear right onto Route 202 North (the new parkway). At the end of the expressway, continue on 202 North heading towards New Hope. Follow signs for 202 North. After going through the traffic light at Route 413, turn left at the stop sign. At this point 202 North and 263 North have merged. Follow along this road going through the traffic light at Holicong Road. After passing Buckingham Friends School on your left, bear slightly right at the fork to continue on 202 North. Look for the following landmarks: first you will see the Midway Fire Department on your left, then also on your left you will see the sign for the Peddler's Village Parking Lot which is a barn shaped green and white colored sign. Immediately after you pass this sign, you will see a sign that says Cook & Gardener and immediately after that is a gravel parking lot. Take a left into the gravel parking lot and park parallel on the right portion of that lot alongside the old white house (which is our office).

Walk up the front walkway and enter the front of the building.

Welcome, you are now in the waiting room.
